As a reminder, these qualifications are subject to the following conditions:

- a. The listings applies only to products manufactured at Control Products Corp. (CAGE 27520) 1513 W. Jefferson Street, Grand Prairie, Texas 75051 and applies to future amendments or revisions of the specification, unless otherwise specified.
- b. The listing does not guarantee acceptance of the product in any future procurement.
- c. The listing does not constitute a waiver of any requirements of the specification or of the provisions of any contract.

d. Any use of the listing for publicity, advertising, or sales shall not state or imply that the product is the only product of that type so qualified, or that the Government in any way recommends or endorses the manufacturer's product in preference to other qualified products. Violation is cause for removal of the product from the list.

e. The listing applies only to products identical to those qualified. DLA-Aviation (VEB) must be advised in advance of any intended change to the product, change in manufacturing location, Management officials or to the process(es). Failure to provide the required notification of any change in design, material, construction or process at least 30 days prior to production change is cause for removal from the listing regardless of the extent of the change.

f. Control Products Corp. must comply with the requirement for retention of qualification every 2 years to retain the listing. Non-compliance shall be sufficient cause for removal from the listing.
